

## Arche Noah Entdeckung

Southland Times, Issue 133380, 15 February 1896, Page 3

AWAITING CONFIRMATION.—A cable message states that a report has been received from the Siberian agent of Dr Nansen, which states that he had reached the North Pole, and that he discovered land there. It will be remembered that some months ago it was reported that news had been received from Nansen by carrier pigeon, but it proved to be as true as the alleged discovery of Noah's Ark on Mount Ararat.

BICYCLISTS BEWARE!—A suggestion was made yesterday in the County Council meeting to the effect that it may be necessary in the interests of the county revenue to impose a tax on bicycles. The member making the suggestion thought that cyclists had a full right to contribute towards the maintenance of the county roads, and
